DAWSON  
DERMATOLOGY

Serving Honolulu with quality, professional dermatology care for more than 11 years, Dr. Kevin L. Dawson is a Board-Certified doctor, a fellow with the American Academy of Dermatology and a member of the Hawaii Dermatological Society, serving as president in 2007. Dr. Dawson was recently appointed Chief of the Division of Dermatology at Queen's Medical Center.

*"We provide state-of-the-art treatment, with a strong commitment to outstanding quality and patient care,"* says Dr. Dawson, who treats infants to senior citizens with all diseases of the skin and disorders of hair and nails.

His medical services include treatments for acne, eczema and dermatitis, psoriasis, warts, hair loss and skin cancer. While his practice focuses on medical dermatology,

he also offers a variety of cosmetic treatments, including fine line treatments like Botox and Dysport, fillers such as Restylane and Juvederm, microdermabrasion and IPL (laser) treatments for skin color and texture problems. His friendly staff provides exceptional patient comfort and care with timely appointments and attentive care to patient needs. Board-certified dermatologists Douglas Chun and Sarah Grekin also offer medical services as part of the dedicated team at Dawson Dermatology. Dr. Grekin is also board-certified in dermatopathology.

Dr. Dawson shares his expertise with students and medical residents as an Assistant Clinical Professor of Medicine at the University of Hawaii.

*"I feel privileged to work with patients, teach students and serve the community to help make a difference in the quality of health care in Honolulu,"* says Dr. Dawson.

**O**ur office has been serving Honolulu with quality, professional dermatology care for over 30 years. Our Board Certified doctors are dedicated, with a strong commitment to quality and outstanding patient care. We are always there when you need us with unparalleled access to our doctors. There are no long waits for appointments, and we always find time for our patients who

need us. Our dedication reaches outside the office. We are committed to the community through education of medical students, teaching our young residents, and year-round involvement in community service.

Commitment to excellence, dedication to our patients, service to our community. That's dermatology with a difference.
